

Lucketts Ruritan
Community people supporting community needs

Trash and Recycling Guidelines

1. This community service is provided by the **Lucketts Ruritan Club**.
2. This operation is primarily **self-service**.
3. The function of Ruritan members and Bates Trucking personnel is to **monitor and assist** patrons as needed.
4. This service is for the use of **Loudoun County residents only**.
5. Our **suggested minimum donation** amount of **\$8.00** is based on a single household's weekly refuse accumulation. Please donate more for bigger loads. Proceeds go toward local **scholarships, grants, and donations**.

Trash

6. Household garbage should be bagged, not loose in a pickup truck or trailer.
7. We do not accept toxic chemicals, paint, used motor oil, batteries, and other industrial wastes.
8. Avoid disposing of liquids. Crushed containers leak.

Recycling

9. **Items accepted:** metal cans; glass bottles and jars; plastic bottles, jars, jugs; paper-board, flattened cardboard boxes, newspapers, magazines, office paper, junk mail, and books (with hard covers removed).
10. Please, **flatten all boxes!**
11. Containers should be clean and free of food waste.
12. Please, **NO plastic bags** (they interfere with sorting machinery operations), shredded paper, pizza boxes or styrofoam.
